RE: Brooks Mining Permit Public Notice.

To Whom this May Concern:

We are landowners within the area of the Brooks Mining CO, permit (T57N, R84W, Section 20 & 21.). We do not object to the mine as long as it does not interfere with our life style, our well, or our property values; due to the traffic to & from the mine, increased train traffic on the sliding near our home plus any and all structures that maybe built near our property.

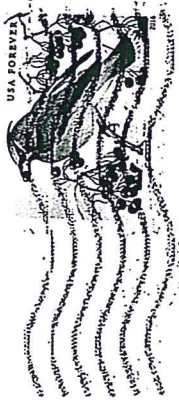

Respectfully,

Gerald & Betty Legowski
