Re: Revoked Site Access – Shoshoni Landfill

Mr. Dimick,

This letter has been drafted for the Fremont County Solid Waste Disposal District (District) to notify you that you and your company have had your Shoshoni Landfill site access revoked. This revocation follows a series of issues created by you and your company at the facility.

The following list demonstrates the ongoing issues with you and your company:

1. On multiple occasions, you and your company have delivered loads to the Shoshoni C&D Landfill that contain MSW. The most recent occasion was December 5, 2015.
2. In November 2015, there were two occasions where you and your company failed to make payment for the waste you delivered by the end of the day (i.e. Shoshoni Landfill and the Sand Draw Landfill). This was finally remedied by communication from the Superintendent of Operations threatening revoked site access at all sites
3. On multiple occasions, you and your company failed to comply with the secured load policy, and on two occasions, (i.e. one in June 2015 and one in August 2015) there were reports from District staff that you tried to use your position as a Board member to get around being required to comply with the secured load policy at the Shoshoni Landfill.

All waste haulers (i.e. commercial and private/self-haulers) are responsible for the waste they deliver to a site. Continued abuse of District Rules and Regulations will result in additional site revocation.

Please feel free to contact me at your convenience with any questions at (307) 332-7040.

Thank you,

Andrew Frey, P.E.  
Superintendent of Operations  
Fremont County Solid Waste Disposal District

Michael Adams  
Board of Directors Chairman  
Fremont County Solid Waste Disposal District
