RE: WYGEN 2, DOCKET NO. 02-2202

Dear Mr. Girardin:

This is in response to your September 14, 2004, letter requesting an update on our appeal of the WYGEN 2 permit. We are continuing our discussions with the Wyoming Attorney General's Office and the Wyoming Department of Environmental Quality in the hope of resolving this matter informally. In the meantime, we request that this case remain on the Environmental Quality Council's docket until further notice in the event a hearing before the Council is necessary.

Please contact Susan Johnson of my staff at (303) 987-6694 if you have any questions regarding this matter.

Sincerely,

Christine L. Shaver
Chief, Air Resources Division
