Joe Girardin,

We would like to delay the Scheduling Conference for EQC Docket Number 18-1601 as it is premature due to waiting on DEQ to respond to the numerous technical inadequacies in the mining permit, invalid state mineral lease and the fact that we have not completed mediation. Telephone contact: 307-878-4494

Sincerely,

Dear Mr. Yemington and Mr. Ericsson:

You should receive an email from our online docket system letting you know of a filing in your case. It is an Order for a scheduling conference. In order to make sure you get it I wanted to let you know about the docket email and I am also attaching a copy of the Order to this email. If you have any questions please call or email.

Sincerely,

Jim Ruby
