

**EXHIBIT 36**

Index of Exhibits From Stephen Freeman

18-4804 In Re Wilson Brothers Construction

1. Centers for Disease Control and Prevention, Bentonite, CAS# 1302-78-9, & ICSC: 0384
2. New Jersey Department of Health and Senior Services, HSFS, Silica, Quartz, CAS# 14808-60-7
3. New Jersey Department of Health and Senior Services, Mica, HSFS, Mica, CAS# 12001-26-2
4. International Programme on Chemical Safety (INCHEM), Crystalline Silica, Quartz, CAS# 14808-60-7 & 1317-79-9, ICSC: 0808
5. INCHEM, Bentonite (Montmorillonit), CAS# 1302-78-9, & ICSC: 0384
6. INCHEM, Environmental Health Criteria 231 (2005), ISBN 92 4 157231 0, 111 pages
7. DigitalFire.Com Library, Quartz, Crystalline Silica Toxicity
8. DigitalFire.Com Library, Bentonite Toxicity
9. DigitalFire.Com Library, Ball Clay
10. Wyoming State Geological Survey, Summer Report, September 2014
11. Wikipedia, Bentonite, External Links
12. Material Safety Data Sheet, Deluxe Testing Equipment Inc., Conroe, Texas
13. Material Safety Data Sheet, Spectrum Chemical Mfg. Corp., Gardena, CA
14. Material Safety Data Sheet, Halliburton/Baroid Pty. Ltd., Australia
15. Material Safety Data Sheet, Black Hills Bentonite Co., Casper, Wyoming
16. Material Safety Data Sheet, Black Hills Bentonite, LLC, Mills, Wyoming
17. Material Safety Data Sheet, Brenntag Canada, Inc., Toronto, ON
18. Material Safety Data Sheet, WYO-BEN, Billings, Montana
19. Material Safety Data Sheet, EPRO Services, Inc., Derby, KS
20. Material Safety Data Sheet, Clay Minerals Society, Aurora, Colorado
21. Material Safety Data Sheet, Gelest, Inc., Morrisville, PA
22. Material Safety Data Sheet, Ecological Laboratories Inc., Cape Coral, FL
23. National Library of Medicine, Bentonite, CASRN: 1302-78-9, 5/16/2013
24. National Library of Medicine, Pub Chem, Montmorillonite, CASRN: 1318-93-0, 08/07/2013
25. Centers for Disease Control and Prevention, Crystalline Silica, Quartz, CAS# 14808-60-7, ICSC: 0808, NIOSH
26. Concise International Chemical Assessment Document 24, Crystalline Silica, Quartz, First Draft by NIOSH, USA, World Health Organization, Geneva, 2000
27. What is INCHEM – International Programme on Chemical Safety
28. What is a Concise International Chemical Assessment Document (CICAD)
29. What is a CAS Number or CASRN – Chemical Abstracts Service
30. What is IPCS – International Programme on Chemical Safety
31. What is ICSC – International Chemical Safety Cards
32. Occupational Exposure to Dust in Open Pit Mining. A short Review, Matos,M, et al., Faculdade de Engenharia de Universidade do Porto, Portugal
33. USEPA, Region 5, Dust Suppression on Wyoming's Coal Mine Haul Roads, Record Center # 238805
34. Public Notice published in Cody Enterprise, October 2, 2018, Wilson Brothers Mining Permit
35. Freeman letter requesting hearing, dated November 5, 2018
36. Index of Exhibits From Stephen Freeman – 18-4804 In Re Wilson Brothers Construction
