

MEMORANDUM

TO : Environmental Quality Council
FROM : John Corra - DEQ Director
DATE : October 1, 2006
RE : Bond Forfeiture - Countryside Construction, Inc., Limited Mining Operation No. 1015ET

Attached is information relating to the failure of Countryside Construction, Inc. to reclaim lands affected by mining under Limited Mining Operation No. 1015ET.

I have determined that the bond for Countryside Construction, Limited Mining Operation No. 1015ET, should be forfeited. Since this is a voluntary forfeiture by Countryside Construction, it is requested that the Council approve this request to begin initiation of forfeiture action.

Should you have any questions, please contact Rick Chancellor.
