Re: Permit Application No. A0008249  
(Tensleep 2 Tank Battery)

Dear Ms. Elsom:

The Division has reviewed Citation Oil & Gas Corporation's application to permit the Tensleep 2 Tank Battery located in the NE¼ SE¼ of Section 12, T47N, R100W, in Park County, Wyoming. The Division finds the application to be complete, and will proceed with a technical review of the application. It should be noted that this does not preclude the Air Quality Division from requesting additional technical information or clarification at a later date, as deemed necessary. A decision will be made to either approve or disapprove your request within sixty (60) days of the determination that the application is complete.

If you have any questions, you may contact me at (307) 473-3484.

Sincerely,

Heather Bleile  
Air Quality Engineer  
Air Quality Division
