**Analysis of Comments Received for Docket 21-1101**

May 12, 2021

Prepared by:  
Wyoming Department of Environmental Quality

On March 12, 2021, the Department of Environmental Quality (Department) submitted a notice of intent to adopt rulemaking in accordance with Wyoming Statutes § 16-3-103 and Secretary of State's Rules on Rules for State Agencies, which initiated a 45-day comment period for the Department's Rules of Practice and Procedure, Chapter 3.

The Department also notified interested parties electronically and by mail on March 12, and published a public notice in the Casper Star-Tribune on March 12 and 13, 2021.

The Department received no comment during the notice period that ended on April 27, 2021.
