

Proposed Revisions to Department of Environmental Quality Rules of Practice and Procedure, Chapter 3, Rulemaking

Analysis of Comments Received for Docket 21-1101

August 9, 2021

Prepared by:
Wyoming Department of Environmental Quality

On June 17, 2021, the Department of Environmental Quality (Department) resubmitted a notice of intent to adopt rulemaking in accordance with Wyoming Statutes § 16-3-103 and Secretary of State's Rules on Rules for State Agencies, which initiated a 45-day comment period for the Department's Rules of Practice and Procedure, Chapter 3.

The Department also notified interested parties electronically and by mail on June 17, 2021 and published a public notice in the Casper Star-Tribune on June 17 and 18, 2021.

The Department received no comment during the notice period that ended on August 2, 2021.
