

Department of Environmental Quality

To protect, conserve and enhance the quality of Wyoming's environment for the benefit of current and future generations.

Mark Gordon, Governor

Todd Parfitt, Director

MEMORANDUM

TO: John Corra, Chairman, Environmental Quality Council
Water and Waste Advisory Board
Nicole Budine, Senior Assistant Attorney General
State Government Information Coordinator, State Library

FROM: Jennifer Zygmunt, Administrator, Water Quality Division, DEQ

DATE: November 4, 2021

SUBJECT: Notice of Final Adoption of Water Quality Rules Chapter 24

A handwritten signature in blue ink, appearing to read "Jennifer Zygmunt".

Please consider this memorandum as notice of final adoption of revisions to Chapter 24. The revisions to Chapter 24 include updates to definitions, area of review requirements, reporting requirements, and public participation requirements to meet the stringency of the Code of Federal Regulations; updates to the requirements for financial assurance instruments for consistency with other divisions within the WDEQ and banking statutes and regulations; and edits to or removal of passages for consistency with Wyoming Statutes. A copy of Chapter 24 and a copy of the certification page are enclosed.

The Environmental Quality Council adopted the revised rules at a public hearing in the main conference room at the Wyoming Oil and Gas Conservation Commission Building, 2211 King Boulevard in Casper, Wyoming on August 17, 2021. The final rule was filed with the Wyoming Secretary of State on October 5, 2021.

If you have any questions concerning this rule adoption, please contact Gina Thompson at 307-777-7343 or gina.thompson@wyo.gov.
