Subject: Proposed Revisions to Wyoming Solid Waste Rule Chapter 3
Department of Environmental Quality

Date: August 4, 2022

Priority: **HIGH** – Deadline for response is August 18, 2022

Summary: The Department is proposing to revise Solid Waste Rule (SWR) Chapter 3: Industrial Landfill Regulations to remove redundant and irrelevant language, correct grammar, restructure passages for clarity, provide consistency with other chapters of the SWR, and format the rule to meet the Secretary of State requirements. In addition, the Wyoming Department Environmental Quality proposed updates to the permit terms, as well as the standards for location, design and construction, operating, monitoring, recordkeeping, reporting, closure and post-closure, and corrective action.
