

**Wyoming Environmental Quality Council Hearing
Continuation of Consideration of Rulemaking
Notice of Intent to Adopt Rules**

The Wyoming Environmental Quality Council will continue consideration of proposed revisions to the Wyoming Department of Environmental Quality Water Quality Rules Chapter 12, Design and Construction Standards for Public Water Supplies, Docket 22-3103, at a hearing to be held on May 16, 2023 in the Board of Equalization Meeting Room, Hathaway Building 1st Floor, 2300 Capitol Ave, Cheyenne, WY, 82002, starting at 9:00 a.m. (MST). Individuals interested in attending remotely may contact Joe Girardin at (307) 777-7170 for assistance. The revisions include new requirements for public water supplies that propose well acidization, updates to water treatment technologies, the incorporation by reference of the Recommended Standards for Water Works, 2018 Edition, and minor corrections made since the rule was noticed on August 31, 2022. The chapter meets minimum substantive state statutory requirements per W.S. § 16-3-103(a)(i)(G). The public comment period ended on March 20, 2023. Individuals with questions regarding the rulemaking may contact Keenan Hendon at (307) 777-7075. Additional information is available at <https://eqc.wyo.gov/Public/Dockets.aspx> under Docket 22-3103 or may be inspected in person at 200 West 17th St, Ste. 200, Cheyenne, WY. *Americans with Disabilities Act: special assistance or alternative formats will be made available upon request for individuals with disabilities. Please provide at least three (3) weeks advance notice for such requests.*
