ORDER GRANTING LEAVE TO AMEND

This matter came before the EQC on POWJH’s Motion for Leave to Amend. The EQC, after review of the briefing and all other relevant material finds that granting leave to amend is appropriate and **IT IS HEREBY ORDERS** as follows:

- 1) POWJH shall have leave to file an Amended Petition for Review in conformance with the attached Exhibit A to its *Motion for Leave to Amend*.
- 2) Any such Amended Petition must be filed within 5 business days of the entry of this order.
- 3) As POWJH’s proposed Amended Petition for Review does not include any changes to the content or order of the exhibits referenced in POWJH’s initial Petition for Review, to avoid duplication, the Amended Petition for Review shall be filed without exhibits, and all exhibit references in the Amended Petition for Review shall incorporate the exhibits filed with the original Petition for Review.
