**ORDER APPOINTING NEW HEARING OFFICER
AND REQUIRING UPDATED JOINT STATUS REPORT**

The hearing officer of record for this case, Mr. John Corra, concluded his term as a member of the Council in March. Accordingly, I hereby appoint Councilmember Marjorie Bedessem to act as hearing officer in this case.

The Council entered an Order of Continuance on November 16, 2021 at the request of both parties. Due to ongoing settlement negotiations, the case was continued until such time as the parties filed any necessary pleadings following an anticipated resolution. In the parties' Second Joint Status Report and Request for Continuance filed on November 15, 2021, the parties represented that settlement negotiations were active and ongoing and indicated that resolution was anticipated within 30 days or possibly extending beyond the winter season if additional sampling was necessary. To date, no additional filings pertaining to a resolution have been received by the Council in this matter. Accordingly, the Council hereby **ORDERS** the parties to file an updated Joint Status Report on or before May 17, 2024.

DATED this 29th day of April, 2024.
