

BEFORE THE ENVIRONMENTAL QUALITY COUNCIL
STATE OF WYOMING

IN THE MATTER OF THE APPEAL)
THE PERMIT TO CONSTRUCT # 2023-025)
PROTECT OUR WATER JACKSON) Docket No. 23-3801
HOLE)

JOINT MOTION TO STAY PROCEEDINGS

The Parties, through their respective counsel, hereby file this *Joint Motion to Stay Proceedings*. The Parties, while having received a decision pertaining to arguments made in front of the Supreme Court of the State of Wyoming, on January 15, 2025, in matter S-24-0232, are still waiting for a decision in matter S-24-0175, which could impact the current proceeding before this Council. The Parties agree that staying this proceeding until docket S-24-0175 has been decided would promote judicial economy. Accordingly, the Parties respectfully request that the EQC stay this matter until thirty days after a final decision has been issued by the Wyoming Supreme Court on Docket S-24-0175, at which point the parties shall file either a draft scheduling order with the EQC, or any other appropriate motions.

RESPECTFULLY SUBMITTED this 10th day of April, 2025.

/s/ John. W. Graham
