Cheyenne, WY 82002

Dear Sir:

The Weston County Commissioners took action at their meeting on November 18, 2008, to request that the Environmental Quality Council perform a socio-economic study of the effects of a rule change relative to the Agricultural Use Protection Policy Revision of Chapter 1, Sect. 20 of the Wyoming Water Quality Rules and Regulations. We request that the study be done by someone such as Tex Taylor at the University of Wyoming. Thank you for considering this request.

Sincerely,

WESTON COUNTY COMMISSIONERS

Ted J. Ertman
Chairman
