PUBLIC NOTICE
FINAL PUBLIC NOTICE
 Wind River Materials of Kemmerer, Wyoming has applied for a small mining permit from the Land Quality Division of the Department of Environmental Quality for the State of Wyoming. The mining permit area for the mining of sand and gravel will be located in Section 20, T30N, R110W, Sublette County, Wyoming. The proposed gravel operation is located south of Highway 351, approximately 6 miles east of the intersection of Highways 351 and 189. The proposed operation is scheduled to begin December 2013 and is estimated to continue until at least the year 2015.
 Information regarding the proposed mining operation and reclamation procedures may be reviewed in the Office of the Land Quality Division of the Department of Environmental Quality in Cheyenne and Lander, Wyoming, or the Sublette County Clerk's Office in Pinedale, Wyoming. Written objections to the proposed mining operation must be received by the Administrator of the Land Quality Division of the Department of Environmental Quality, Herschler Building, 122 West 25th Street, Cheyenne, WY 82002, before the close of business December 12, 2013. If an objection specifically requests a public hearing before the Environmental Quality Council, a public hearing shall be held within twenty (20) days after the final date for filing objections unless a different period is stipulated to by the parties. The Environmental Quality Council or Director shall publish notice of the time, date and location of the hearing or conference in a newspaper of general circulation in the locality of the proposed operation once a week for two (2) consecutive weeks immediately prior to the hearing or conference. The hearing shall be conducted as a contested case in accordance with the Wyoming Administrative Procedure Act (W.S. §16-3-101 through §16-3-115), and the right of judicial review shall be afforded as provided in that Act. All parties as given in W.S. §35-11-406(p) will be mailed a copy of this notice. The Wyoming Oil and Gas Conservation Commission will be mailed a copy of the application mine plan map as required in W.S. §35-11-406(p).
 Public Notice #3563. Published in the Sublette Examiner on October 22, 29 and November 5 and 12, 2013.
