Docket No. 2373-92

DEPARTMENT'S MOTION TO DISMISS

The Department of Environmental Quality, Land Quality Division, by and through the Office of the Attorney General, moves the Council for an order dismissing the above-captioned case and, as grounds for this motion, states that the DEQ has received a letter dated February 18, 1994 from the applicant, Rissler & McMurry Co., which states that the company withdraws its Bessemer Quarry Small Mine Permit Application, TFN 2 6/237. Since the applicant has withdrawn its application, the Council has nothing left to consider in this case, and the case should be dismissed.

WHEREFORE, the DEQ requests that the Council enter an Order dismissing this case.
