Dear Mr. Sundin,

I'm very sorry about all this, and I don't want our names withdrawn immediately. I do not want a hearing, I don't have any objection about the ripening, where they want to mine, I never did. I'm sorry about it. The people were concerned about the road in the neighborhood, I regret it very much that I mentioned our names. ^{also am sorry that I mentioned} I don't want our names ^{removed} ^{names} taken off. ^{names} I kindly thank you for removing our names.

Please speak to Mr. Caldwell. I also wrote to him, thank you.

Sincerely
Mrs Carolyn Jenkins
