Terri A. Lorenzon, Director
Environmental Quality Council

Statement of the terms and substance of the proposed rule or a description of the subjects and issues involved.

The Division is proposing to update all regulations which are incorporated by reference from the Code of Federal Regulations to reflect the July 1, 2001 publishing date. The Division updates these sections on an annual basis. Incorporation by reference affects: Chapters 5 and 11.

Changes are also proposed for Chapters 6 and 7 in response to a federally mandated change in the definition of "major source," as well as minor changes to the numbering system.

Citation to each agency rule being amended or repealed.

Wyoming Air Quality Standards and Regulations:

Chapter 5, National Emission Standards, Section 2, New source performance standards and Section 3, National emission standards for hazardous air pollutants

Chapter 6, Permitting Requirements, Section 3, Operating permits

Chapter 7, Monitoring Regulations, Section 3, Compliance assurance monitoring

Chapter 11, National Acid Rain Program, Section 2, Acid rain program

If the proposed rules amend existing rules, a copy of the proposed rules in a format that clearly indicates additions to and deletions from existing language may be obtained at:

Department of Environmental Quality, Air Quality Division, 122 West 25th St., Herschler Building, 4th Floor, Cheyenne, Wyoming; the Casper District Office, 3030 Energy Lane, Casper, Wyoming; the Lander District Office, 250 Lincoln St., Lander, Wyoming; the Sheridan District Office, 1043 Coffeen Avenue, Suite D, Sheridan, Wyoming; electronic copies of the rules will be available after October 30, 2002 at <http://deq.state.wy.us> Click on the Air Quality link.

Statement of the time when, the place where, and the manner in which interested persons may present their views on the intended action.

Written comments may be submitted prior to the public hearing. Persons wishing to submit public comment should do so by 5:00 PM on Monday December 9, 2002 to the following address: Dan Olson, Administrator, Department of Environmental Quality, Air Quality Division, 122 West 25th St., Herschler Building, 4th Floor, Cheyenne, Wyoming. Those planning to

present oral statements at the hearing are encouraged to bring a written copy of their comments to the hearing and arrive early so that the Council may determine the order of persons wishing to comment.

If not already scheduled as shown above, a public hearing will be held if requested by 25 persons, a governmental subdivision or by an association having not less than 25 members. Requests for a public hearing may be addressed to:

A hearing has been scheduled.

A public hearing on the proposed rules has been scheduled. If yes, date, time and place of scheduled hearing.

A public hearing on proposed revisions to the Wyoming Air Quality Standards and Regulations will be held by the Environmental Quality Council. The hearing will begin at 9:00 PM on Thursday, December 12, 2002 and will be held at the Vee Bar Guest Ranch, 2091 State Highway 130 near Centennial, Wyoming. If a quorum is present, the Council may make a decision on these rules at the end of the hearing. In accordance with the Americans with Disabilities Act, special assistance or alternate formats will be made available upon request for individuals with disabilities.

Any person may urge the agency not to adopt the rules and also request the agency to state its reasons for overruling the consideration urged against adoption. Requests for an agency response considering the overruling must be made prior to, or within 30 days after adoption of the rule, addressed to:

Administrator, Air Quality Division, 122 West 25th Street, Herschler Building, 4th Floor, Cheyenne, WY, 82002.

These are new rules (first set of rules to be promulgated by the agency after the legislature's adoption of a new statutory provision or an act significantly amending an existing statute. A new rule is one that is promulgated in direct response to, or that is mandated by, the enacted statute and may involve creation of an entirely new provision in the agency's rules and the repeal or amendment of an existing rule).

These rule changes are not new rules.

If yes, citation to the specific legislation resulting in promulgation of these rules.
